I think it's really for the hearing on Feb 25, but the same technical information is needed for the prehearing conference if we are going to do a test run. Hence looking for the information sooner rather than later, so the IT folks have it for Feb. 8.

Mr. Stark, is the virtual hearing plan for the prehearing conference or for the merits hearing on Feb. 25?

Parties:

Please see the below link to input or provide information for our virtual hearing. I apologize for the late notice, but I would greatly appreciate if the parties could fill this out today – or at latest by noon on Monday.

Would the parties advise as to whether a virtual test run is necessary? I believe all parties involved have participated in several – but if there is a desire to do so, we can do it at the same time as the Feb 8 prehearing conference.
